Goochland County, Virginia Genealogy • FamilySearch
The Boston Massacre was a confrontation in Boston on March 5, 1770, in which a group of nine British soldiers killed three people of a crowd of three or four hundred who were abusing them verbally and throwing various missiles. The event was heavily publicized as "a massacre" by leading Patriots such as Paul Revere and Samuel Adams. British troops had been stationed in ...

An old soldiers' home is a military veterans' retirement home, nursing home, or hospital. Any man or woman who is over the age of 65 and served as a regular soldier may apply to become a Chelsea Pensioner (i.e. a resident), on the basis they have found themselves in a time of need and are "of good character". They must not, however, have any dependent spouse or family ...

Documenting the American South: First-Person Narratives of

Women have a long history of serving as nurses to soldiers in the military. In the earliest days of American history, nurses were untrained. Many of them were women who couldn’t eke out a living with their men off to war, so they followed the troops and made themselves useful where they could to earn safety, food, and lodging. Later, the important role that nurses played during ...

What's New — Horse Soldier

Most soldiers on both sides, and certainly the most effective soldiers, were volunteers who had enlisted from civilian life early in the war before either side imposed conscription. It was a do-it-yourself mobilization on both sides by a democratic society that must have believed deeply in what it was fighting for to be willing to make the kinds of sacrifices and to deal with the ...
