24/03/2018 · Fashion historian James Laver writes in Costume and Fashion: A Concise History that “the effect was completely tubular. Skirts were still long, but an attempt was made to confine the body in a cylinder” (230). This would eventually develop into the popular flapper look of the next decade and Poiret’s pleated skirt and cocoon coat (Fig. 11) strongly hint at what was to ...

A sentence diagram is a pictorial representation of the grammatical structure of a sentence. The term "sentence diagram" is used more when teaching written language, where sentences are diagrammed. The model shows the relations between words and the nature of sentence structure and can be used as a tool to help recognize which potential sentences are actual sentences.
