In this inspiring memoir, the star of Hercules shares the story of the sudden aneurysm and multiple strokes that left him incapacitated--but ultimately redefined his definition of success. On television, Kevin Sorbo portrayed an invincible demigod; in his real life, an aneurysm caused strokes that left him partially blind and incapacitated at just thirty-eight years old. Yet since appearances are everything in Hollywood, he hid the full details about his condition from the press and continued to film Hercules, which was the number one TV series in the world. True Strength is the story of transformation, persistence, and hope in the face of seemingly insurmountable obstacles. Sorbo reflects on his childhood in Minnesota and his early acting days in Hollywood, to his charmed life as television’s beloved Hercules, and where he is today. He recounts the onset of his symptoms, his frightening hospitalization, and his arduous path to recovery. With this honest account of personal tragedy and triumph, Sorbo aims to blaze a trail for those who have ever suffered acute illness or a serious setback in life and are now struggling to find their way back.

Run adventures in which Eva Peron is Hitler's mistress, or JFK meets Queen Victoria. Zulu hordes swarm across Vietnam, the Spanish Inquisition stalk heretics in Manhattan, steam cars co-exist with ICBMs, Babbage engines, stealth bombers and sorcerers. (Book). The Modern Amazons: Warrior Women on Screen documents the public’s seemingly insatiable fascination with the warrior woman archetype in film and on television. The book examines the cautious beginnings of new roles for women in the late fifties, the rapid development of female action leads during the burgeoning second-wave feminist movement in the late sixties and seventies, and the present-day onslaught of female action characters now leaping from page to screen. The book itself is organized into chapters that group women warriors into sub-genres, e.g., classic Amazons like Xena Warrior Princess and the women of the Conan films; superheroes and their archenemies such as Wonder Woman, Batgirl, and Catwoman; revenge films such as the Kill Bill movies; Sexploitation and Blaxploitation films such as Coffy and the Ilsa trilogy; Hong Kong cinema and warriors like Angela Mao, Cynthia Rothrock, and Zhang Ziyi; sci-fi warriors from Star Trek, Blade Runner, and Star Wars; supersleuths and spies like the Avengers and Charlie’s Angels; and gothic warriors such as Buffy the Vampire Slayer and Kate Beckinsale in Underworld and Van Helsing. In addition, the book is lavishly illustrated with over 400 photos of these popular-culture icons in action, interesting articles and sidebars about themes, trends, weapons, style, and trivia, as well as a complete filmography of more than 150 titles.
